

NASA leverages BetterUp to develop the next generation of aerospace leaders

CHALLENGE

Provide newly promoted leaders of all levels and backgrounds with support and development to successfully transition into new roles with expanded scope.

SOLUTION

Dedicated 1:1 coaching with access to on-demand and specialist coaches for 143 newly promoted GS-12 to GS-15 leaders

RESULTS

100%

made **meaningful progress** towards their goals

+17%

Growth in **Leading People ECQ**

+23%

Growth in **Leading Change ECQ**

“

[I recently] completed 1 year milestone as a supervisor. [With my coach], I learned to try to focus on understanding others vantage points as opposed to acting on purely from my own. I learned to recognize negative thoughts and feelings and choosing to respond vs react.
